

**TIME LINE: PERFORMANCE FUNDING IMPLEMENTATION,
APRIL-JULY, 1997**

(Note: The proposed time line assumes that there are two cycles of approval, one for institutional benchmark approval, which culminates in action by the Commission at its June meeting, and one for performance rating and allocation of dollars, which culminates in actions by the Commission at its July meeting.)

- 4/30 4:00 Committee on Planning and Assessment considers final format for displaying data on performance report card and a process and time line for rating performance in year one
- 5/1 10:30 **Commission** considers and takes action on plan
- 5/13 Committee on Planning and Assessment considers first year process for institutional and sector benchmarks
- 5/15 Commission staff completes analyzing and displaying available performance data
- 5/22 Institutions submit proposed institutional benchmarks, if they elect to do so
- 5/26 Commission staff completes analysis of proposed institutional benchmarks
- 5/27 10:30 Committee on Planning and Assessment considers and takes action on proposed institutional benchmarks and sector benchmarks, subject to approval by the Commission
- 6/5 10:30 **Commission** considers and takes action on institutional benchmarks
- 6/17 Commission staff completes analysis of institutional performance
- 6/24 10:30 Committee on Planning and Assessment considers and takes action on ratings of institutional performance and allocation of performance dollars, subject to approval by the Commission
- 7/10 10:30 **Commission** considers and takes action on institutional performance ratings and allocation of dollars
