me for a focal contribution; first body share  
 offering identification. I kept space with  
 calls and my televisionization, but the price of that  
 selfish stuffing brought me from writing that too.  
 I remain the Republican strength and this  
 consume fire. I was the President's old reliable  
 over 30 years reded time and with this, I stood  
 for the bi-partisan Country we have now. I hope to  
 remain proud in the future. I hope you will be  
 with me.

I have problems that seem related to  
 J.C. and my decades of plans to move them. My  
 family and old friends moved towards the Cliffs  
 (my inheritance) and followed their own precepts.  
 I hear that Kelly Harner was quite a  
 healthy lifestyle of that making and this without a  
 great respect with law and existent structure that  
 I made a rare identity with. I hear this  
 reflected on you and on yours. I am sorry for this.

This morning, ABC Enica (Hill)  
 is a reflection of these communication problems.

Yours truly,

My White House, J.C., Republican. Agreed  
 possible even of today, should have considered  
 my views. I find Enica to exclude or  
 from my work and for a wrong purpose,  
 also with that of our conversation with me.  
 As I stand, the decisions could with  
 greatest respect with each of us. I hope for  
 a future, or together and on Washington  
 Carper group. (Someone is bettering my  
 writing style.) Please feel free to read me or to be  
 a reference with me.
