Dear, Governor Nikki R Haley

This past year on August 16th 2014 I lost one of my Best friends to this twenty year old drunk driver car accident in Charleston SC her name was kylie Gillette she was 17year old. She was a smart along with bright and a talented young lady who was energetic and who loved the outdoors and she also loved animals. She was a very kind and a sweet person she was a friend to everyone that she came in contact with. This was going to be her senior year of high school she would have been in the class of 2015. She had so much to live for her life was taken **innocently** and in a senseless and in a criminal act. I Just have some very major concerns about our current DUI Laws in the State of South Carolina. I also did not know if you could name something in memory and in honor of her and the life that she lived.

Sincerely,

Michael McHam Jr.
