On Saturday morning May 6, we discovered that our small camping trailer was stolen out of the Public Storage facility on north Cashua in Florence, SC. The thieves planned this well and drove the camper out through a hole they cut in the chain link fence behind the shoe store. The investigator feels that using Facebook is a great tool for spotting the camper throughout the Pee Dee region of Eastern SC. We would love to have the camper back. Please help us keep an eye out for it. Feel free to repost. Thanks. Licence tag is SC KT 70942. This is a 2014 R-Pod by Forest River, model 178. It has the frog decal on side. Serial number: 4X4TRPT12EL010061.
