Subject: Temporary Road Closure in Dillon County

The South Carolina Department of Transportation (SCDOT) will close the bridge on US 301 over the Little Pee Dee River between I-95 and SC-9 in Dillon County on Friday, Nov. 4, 2016 for construction. Barring any unforeseen delays, the bridge will reopen on Nov. 7, 2016.

Barricades will be placed on the south end of Kentyre Road to allow access to US 301. Several parts of the road will remain accessible during the closure. Traffic will only be detoured around the bridge itself.

For additional information, the public may contact the Dillon County Construction Office at (843) 774-7979.
