Email received to the Itgov account, just think I need to say thank you for the email and support, but wanted to make sure the Itgov didn't want to say anything more personalized.

Dear LtGov Bryant -- Kevin:

Well, well -- a pharmacist rising to the top. I can still remember when Jim Bracewell was taking up money to help you get started in politics. Hope all goes well and we can erase the Lt from your designation one day.

As a graduate of the Univ of South Carolina (BS Pharmacy, 1964) and my days at Univ of Georgia, I can promise you there will be days (football Saturdays) when your loyalties get challenged.
