Y'all,

I wanted to pass along the following email from Senator Bright. He also mentioned this to the governor at last night's Spartanburg event – and would like for someone to follow up with him. Let me know if I can do anything else.

Thanks.

Rob

Lee,

I just wanted to add some more information in case it helps. In 2011 we paid approximately \$1,100,000 in real estate and personal property taxes in Spartanburg county. About \$107,000 of that total was allocated to fire districts and water districts. If we can finish our expansion, that amount will increase as we will add at least \$20,000,000 in new personal property. We are not opposed to paying our fair share. We just don't want to pay hundreds of thousands of dollars more in taxes for services we already receive.
