## **Federal Contracting BootCamp - Early Registration Discount**

Interested in gaining a better understanding of Federal business opportunities? Please consider registering for [BootCamp](#), where we immerse you in the Federal Proposal culture and work with you to develop a Business Development plan. In this **two day** workshop you will begin developing a *Plan of Action* that will help you compete for Government contracting opportunities. If you are exploring government contracting, you will be introduced to available options.

### **Course Description**

The BootCamp is two full days of training.

Day One topics include; Government Commerce, Finding Business, Intelligence Gathering and the GS

Day Two topics include; Strategic Planning, Marketing, Teaming, Bid/No bid Determination and Plan of Action

Please visit our website for [a complete course outline](#).

### **Who Should Attend?**

As a guide, typical participants include;

- Principles, new to Government Contracting
- New Government Contract Management team members
- Experienced contract professionals seeking to expand into other government arenas (GSA Schedule)
- Individuals who wish to expand their government contracting knowledge
- Educators interested in improving curriculum
- Business Development professionals interested in learning about government opportunities
- Those interested in understanding what and how the government buys

### **Event Schedule**
