I spoke with Matt, walked him through the declaration process and explained why the Johns Island incident doesn't meet the thresholds for federal assistance.

I told him that we are encouraged by the community driven effort to help out those affected. Neighbors helping neighbors.

No, the Governor will not issue a State of Emergency for the Johns Island tornado. I recommend that Derrec call the reporter to explain our emergency declaration process.

Hello Chaney –

I meant to ask this yesterday...but, will the Governor issue a State of Emergency for the tornado that occurred on Johns Island early Friday morning?

Thanks!

Matt
