Sure thing. I will forward the email to her right away. Also, I will print it out first thing in the morning and put it on the Governor's desk. You're welcome. Have a great night everyone!

Austin,

Please see the attached update. Page one is the update. Also included in the document the list of 36 failed dams (unchanged since Oct. 14) and list of 75 emergency orders (issued between Oct. 16-20) as an FYI.

Will let you know if we have any noteworthy developments overnight. Have a good one.

Thanks,

Jen
