Subject: SCDOT Winter Storm Preparations

SCDOT has been busy preparing to keep SC roads safe during the predicted winter storm for this weekend (detailed report attached). Crews have already been out pretreating roads, along with making sure equipment is checked, fueled, and ready to go. Districts in the affected areas are switching crews to 12 hour shifts and preparing to work through the weekend. Districts that do not look to be affected have crews on standby to go assist in other areas as necessary.

SCDOT Interim Secretary Christy Hall would like to remind everyone to please be safe during this winter weather event.

Allen Hutto
