Subject : FW: Vote to shutdown refugee program

Dear Governor Haley,

Please see the email below to Spartanburg County Council that expresses additional concerns from our citizens about the South Carolina refugee resettlement program. It is County Council's understanding that you have the sole authority over the State's participation in the federal refugee resettlement program. As I shared in my phone message to you, County Council is concerned about the safety of our citizens. It would be helpful to me to speak with you on behalf of County Council to have a better understanding of the current status of the State's program.

Your assistance with providing a response to this citizen's concerns is greatly appreciated.

Sincerely,

Jeffrey A. Horton, Chairman
Spartanburg County Council

Subject: Vote to shutdown refugee program

Good morning. I am a citizen of the upstate. I am very disturbed about your stand on this refugee influx. Please do the right thing and vote as Greenville county council did last night. Vote to stop ALL refugee placement in Spartanburg county..... ALL.....not just Syrian. None of these refugees can be fully vetted. Our community should not be subjected to what Paris just received. I do not want to live in fear that I too will be gutted by one of these terrorists. And don't try to fool us.....terrorists will be here.

Thank you for your attention to this urgent request.

Sincerely,
Leslie Roberson
