City Council, Mark and Mayor,

I believe we have given each of you adequate time to respond since the Tuesday council meeting. As such, we are now running our story. <http://www.myrtlebeachsc.com/local-leaders-asks-city-end-tourist-tax/>

The story has only been up 17 minutes. Here are a few initial fan responses.

As most of you know, this story will be read by between 20,000 and 80,000 readers today alone. Despite the presence of WBTW and WMBF, this story continues to not be covered locally otherwise. This, despite a rapidly growing Residents Rights grassroots movement in our area.

We did promise the Carolina Forest Community we would also post the story about new parking and their event of tomorrow. This story goes live before 5 p.m. today.

MyrtleBeachSC.com would ask that all emailed here call an immediate end to the illegal tourist taxes being charged in Carolina Forest, Some Socastee areas, and all unincorporated areas outside of the city limits.

We especially request this of Senator Rankin, County Council Chair Mark Lazarus, and Councilman Harold Worely.

Sincerely,

David Hucks
