Subject: The View & Gov Haley

Dear Chaney and Brian,

Hope you're well. On behalf of the VIEW, I wanted to invite Gov. Nikki Haley on THE VIEW to talk about her response to the SOTU, the upcoming election and other issues she feels strongly about. The hosts of the View, including Whoop Goldberg, Joy Behar, Candace Cameron Bure, Raven-Symone and Paula Farris, talked about her response on our show today in very positive terms. To quote Whoopi, "I like Nikki Haley because she always has something to say." I hope you get a chance to watch.

We'd love to book her on the show from NY and wanted to see if she had any trips planned or would be willing to make a special trip to NY to be on our show.. The View has been covering important issues that women care about for nearly 20 years. She would be reaching of an audience of 3 million viewers, not to mention to the millions of others watching online. Recent political guests have included Dr. Ben Carson, Gov. Mike Huckabee, Donald Trump, Sen. Bernie Sanders, Sen. Rand Paul and many others.

Our show is live Monday-Friday from NY at 11am each day. I'd love to discuss this request further with you. I can be reached at 212-456-5957 or 917-968-0737. Thanks in advance for your consideration.

Best,
Todd Polkes
