Subject: Graham Fire Report Request

Ms. Spivey: Thank you for the professional return call of last week concerning the 207 Woodhaven Rd fire of 2011. I appreciate your professionalism and wealth of knowledge concerning emergency response and investigations in Richland County, South Carolina.

As requested, I look forward to a copy of the investigation conducted by the Richland County Emergency response team. As you are aware, all alleged bogus, false and discriminatory charges against me has been dropped and expunged. As discussed, please forward the investigation to me via flash drive. I am willing to pay for or will provide you with the necessary drive.

Again, I thank you for all your assistance in this matter. Please acknowledge receipt of this correspondence.

Cordially,

Earl O. Graham
