Petey the corn snake who lives at Barnwell State Park is as snug as a bug in a rug! We removed his old log & replaced it with a turtle shell. He's all curled up inside because it absorbs more heat on these cold winter days! Stop by the Barnwell office to say "hello" to Petey!

Layla Elizabeth Manning The rangers over at Aiken State Park gave my son a large snake skin shed by their corn snake. He has it displayed on a shelf with his favorite rocks, shark teeth, shells, and arrowheads. Next time we stop in at Barnwell we'll have to say hi to Petey. :) 🐍
