TODAY IS THE DAY! Have you reserved your spot at Oconee? Today, Sept 5, any reservation made for Oconee State Park cabins and/or camping will be 50% OFF! This is for new reservations only up to 11 months in advance. Promo code to receive discount is WOOHOO.

**Melanie Serra** Please let me know how to take care of this .. In the excitement of the chance to visit South Carolina and take advantage of this great deal, I could not find where to enter the promo code and booked it anyway ... and it shows full price. Please let me know how this can be rectified. Thank you!

**Melanie Serra** the customer service people are unaware of this code. I have been on the phone and hold for about 30 minutes now ... at this point they seem unable to help at all ...
