Sounds good. I just talked to Catherine about making a day in Horry County which I do not think will be a problem at all. Do you want me to ask Lily to go ahead and put on Calendar?

I think we want to do this. It'll be great for him to speak, if possible, so please ask about that.

Tori Beth, please think about if we can make a day of this in Horry County with this as the last thing, except for something extraordinary.

When we know those two, then let's ask Lily to book this and start the other planning.

Darryl,  
I wanted to write and extend an invitation for both you and the Lieutenant Governor to attend the Grand Opening of "The Palmettos of Garden City".  
The Palmettos is a 90 bed Assisted Living and Memory Care Facility. This will bring NHC's service network in South Carolina to 13 Skilled Rehab Centers and 5 Assisted Living Facilities that will serve approximately 2400 residents . This does not include our 13 Home Care Agencies and 8 Hospice Agencies.  
In total NHC employs just over 3400 South Carolinians serving the seniors of this great state.  
Look forward to seeing you on Thursday July 27, 2017. The festivities will begin at 4:00 p.m..  
The Palmettos is located at:  
9415 Hwy. 17 bypass  
Murrells Inlet, S.C. 29576
