Dear Governor Haley

I am writing in interest of those who are paying Alimony. There should be a limit on how long a person should receive alimony. No one should have to pay this the rest of their lives or until a person decides to remarry. Will you please take a look at this issue. There is a cut off time for child support and there should be a cut off time for alimony. I'm not married ~~but~~ I know people who are struggling to pay their rent and bills while a person ~~lay~~ on her behind because ~~they~~ ^{they} don't want to work. I would like to discuss this issue with you or would like to talk further about this. I'm standing in the gap for the many people who are caught in this trap. You have changed many things this is one I want to see you change.

Yours Truly
Velma A. Diamond

P.S.

You don't have to talk to me I just want you to address this issue.
