South Carolina State Parks

at 0:28:03 on 5/29/2015 UTC · 🌐

A hopping good time was had by all at the frog race held at Poinsett State Park this past weekend! Just another one of the unique programs we offer at our state parks. Make sure you check them out here: <http://southcarolinaparks.com/programs-events/programs/default.aspx>

Steve Anderson Are these frogs from the big tadpoles that were in the pond?

at 3:05:34 on 5/29/2015 UTC

South Carolina State Parks Hi, Steve Anderson! These were caught from the pond the night before and then released after the race. However these are not the frogs that develop from the large tadpoles. The large tadpoles are river frogs and really don't get any bigger than the actual tadpole itself when they morph from tadpole to frog. Hope that answers your question!
