Revoke All Taxpayer Funding Of Planned Parenthood

Pass Personhood Acts And Human Life Amendment Now

As a pro-life majority Congress, elected on campaign promises for decades to protect innocent life, now with a Republican President in the Oval Office sworn to make good on those campaign promises, We the People DEMAND RESULTS! NOW is the time for you to ACT in defense of the unborn -- NO EXCUSES!

DEFUND Planned Parenthood, Planned Parenthood, America's #1 abortion provider, which has been thoroughly EXPOSED on camera as a criminal murder mill trafficking in human fetal body parts ILLEGALLY procured through partial-birth abortion procedures to MAXIMIZE PROFIT -- yet continues to rake in a half BILLION DOLLARS in federal grants, contracts and Medicaid reimbursements from American taxpayers!

REVOKE Title X family planning funding for abortion providers, including Planned Parenthood that perpetrated 327,653 infant murders subsidized by \$528 MILLION of taxpayer money in 2015 and yet was fully funded by Congress in 2016.

Furthermore, the majority of Congress has been elected repeatedly on the promise to DEFUND and REPEAL ObamaCare -- and most specifically, to ensure that NO federal taxpayer funding would subsidize abortion on demand. Yet recent policy analysis exposes that some 111,500 abortions WILL be performed at taxpayers' expense under ObamaCare every year, which recently was inexcusably FULLY FUNDED by the GOP. This funding MUST be revoked!

I WILL NOT BE COMPLICIT in abortion's unholy carnage against the innocent unborn! I demand you uphold your oath of office and defend the unalienable rights of our citizens, born AND unborn!

Abortion and ObamaCare are un-American, unwanted and unconscionable. DEFUND ObamaCare abortions, rationing of care and death panels; DEFUND Planned Parenthood -- a criminal eugenics cartel -- and END the entire depraved, pro-death abortion culture, before it destroys us as a free people, right along with our Republic.

Sincerely,

Michael Dyckman
