Disaster survivors who are deaf, hard of hearing or have a speech disability and use a TTY may call

**800-462-7585** to register. Those who use 711 or VRS (Video Relay Service) or require accommodations while visiting a center may call **800-621-3362**. All disaster recovery centers are accessible and equipped with tools to accommodate disaster survivors who need disability-related communication aids.

Federal and state disaster assistance for eligible individuals and families can include money for temporary rental assistance and essential home repairs for primary residences and help with other serious disaster-related losses not covered by insurance.

Low-interest disaster recovery loans from the U.S. Small Business Administration are the primary means of federal help for disaster survivors, including homeowners, renters and businesses of all sizes. Individuals and businesses should first register with FEMA. For information on SBA disaster recovery loans call **800-659-2955/800-877-8339** TTY or go online to [SBA.gov/disaster](https://sba.gov/disaster).
