Hi Tony,

Looks like the LTC Taskforce steering committee meetings are wrapping up. It will be interesting to see the draft report that meshes everything the various subcommittees have discussed for months.

I'm reaching out to you today in your role as the ombudsman program for the dual demonstration, PRIME. Select Health is one of the CICO's that will be participating in the demonstration. We'd like to meet with you and your staff to present our model of care and hear your ideas on how best to educate beneficiaries on the new program.

Unfortunately, I cannot attend the LTC meeting on the 16<sup>th</sup>, or would have discussed this with you in person. If you're interested in meeting, who should we work with to coordinate a date?

Thanks

Cindy
