## Happy Independence Day from BAYADA Home Care!

Dear Lt. Governor Bryant,

BAYADA Home Care would like to wish you and your staff a Happy Independence Day! Independence is an important word to us at BAYADA because our mission, as outlined in our guiding philosophy, *The BAYADA Way*, is to “*help people have a safe home life with comfort, independence and dignity.*”

In 2017, BAYADA helped ## of 's children, adults, and seniors stay independent at home through our in-home nursing, rehabilitative, therapeutic, hospice, and assistive care services. **We pride ourselves in helping so many families stay together with their loved ones, which is especially important around holidays like Independence Day.** On behalf of all BAYADA's South Carolinian staff and clients, I'd also like to thank you for your recent support of an increase to our personal care Medicaid Waivers. This will allow us to hire more aides and serve more of the state's vulnerable populations.

I hope that we at BAYADA can continue to be a resource to you and your staff regarding home care in South Carolina. If you'd like to learn more about how our services benefit your constituents, or should you have questions about home care and our legislative priorities, please email me or call me at 803-327-8900.

Thank you again for your ongoing support,

BAYADA's Government Affairs Office
