## Watch Ben Carson Speak at the Republican Convention

<http://time.com/4414254/republican-convention-ben-carson-speech-transcript-video/>

July 19, 2016

[ excerpt ]

Retired neurosurgeon Ben Carson argued that one of Hillary Clinton's mentors dedicated a book to Lucifer in a speech to the Republican convention on Tuesday.

The former presidential candidate, who came to fame after a speech at the National Prayer Breakfast, noted that Clinton [wrote her senior thesis](#) on Saul Alinsky, a sometimes sardonic community activist who wrote about organizational tactics for grassroots groups.

Carson then noted that on [the dedication page](#) for his book "Rules for Radicals," Alinsky gives an "over-the-shoulder acknowledgment" to Lucifer "who rebelled against the establishment and did it so effectively that he at least won his own kingdom." (The page also quotes Thomas Paine and Rabbi Hillel.) [ **CCL Note: All three - Rabbi Hillel, Thomas Paine, and Saul Alinsky were non-Christians.** ]

"This is a nation where every coin in our pocket, and every bill in our wallet says, "In God We Trust," Carson said.

"So, are we willing to elect someone as president who has as their role model somebody who acknowledges Lucifer?

Think about that."

Below is an excerpt of a transcript of Dr. Ben Carson's remarks as delivered at the RNC on July 19, 2016:

Now, one of the things that I have learned about Hillary Clinton, is that one of her heroes, her mentors, was Saul Alinsky.  
And, her senior thesis was about Saul Alinsky. This was someone that she greatly admired, and that affected all of her philosophy subsequently.

Now, interestingly enough, let me tell you something about Saul Alinsky. He wrote a book called, “Rules for Radicals.” On the dedication page, it acknowledges Lucifer, the original radical who gained his own kingdom.

Now, think about that, this is a nation where our founding document, the Declaration of Independence, talks about certain inalienable rights that come from our Creator. This is a nation where our Pledge of Allegiance says we are one nation under God.

(CHEERING)

This is a nation...

(APPLAUSE)

This is a nation where every coin in our pocket, and every bill in our wallet says, “In God We Trust.” So, are we willing to elect someone as president who has as their role model somebody who acknowledges Lucifer? Think about that.

The secular progressive agenda is antithetical to the principles of the founding of this nation, and if we continue to allow them to take God out of our lives, God will remove Himself from us, we will not be blessed, and our nation will go down the tubes.  
And we will be responsible for that. We don’t want that to happen.

"In 1969, while a political science major at [Wellesley College](#), [Hillary Rodham](#) chose to write [her senior thesis](#) on Alinsky's work, with Alinsky himself contributing his own time to help her. Although Rodham defended Alinsky's intentions in her thesis, she was critical of his methods and dogmatism. (Years later when she became [First Lady](#), the thesis was not made publicly available by the school based upon a White House request.)"

"According to biographer Sanford Horwitt, U.S. President [Barack Obama](#) was influenced by Alinsky and followed in his footsteps as a Chicago-based community organizer. Horwitt asserted that [Barack Obama's 2008 presidential campaign](#) was influenced by Alinsky's teachings. Alinsky's influence on Obama has been heavily emphasized by some of his detractors, such as [Rush Limbaugh](#) and [Glenn Beck](#). [Thomas Sugrue](#) of Salon.com writes, "as with all conspiracy theories, the Alinsky-Obama link rests on a kernel of truth". For three years in the mid 80s, Obama worked for the [Developing Communities Project](#), which was influenced by Alinsky's work, and he wrote an essay that was collected in a book memorializing Alinsky."

The United States Conference of [ **Roman** ] Catholic Bishops' "[Campaign for Human Development](#)" paid a young Barack Obama's airfare to a training program on community organizing given by the [Industrial Areas Foundation](#), an organization founded by leftist radical Saul Alinsky, according a book to be released tomorrow on the subject.

[No Higher Power](#), by conservative activist Phyllis Schlafly and journalist George Neumayr, reports that "In the 1980s, the [ **Roman** ] Catholic archdiocese of Chicago contributed to the training of Obama in the very Alinskyite radicalism that would culminate in such anti-religious measures as the HHS mandate," according to [an article on the book published by the Blaze](#).

"In fact, in the course of writing this book, we met a source who once had access to copies of documents from the archives of the Chicago [ **Roman Catholic** ] archdiocese. This source supplied us with never-before-published copies of invoices, checks, and letters that confirm the [ **Roman Catholic** ] Church's support for the man who would one day seek to destroy its religious freedom," they add.

The documents, which have been published on the Blaze's website and are displayed below, purportedly show correspondence between Obama, writing as a member of the [Calumet Community Religious Conference](#), and the US [ **Roman Catholic** ] bishops' Campaign for Human Development, which is today known as the [ **Roman** ] Catholic Campaign for Human Development (CCHD)

The letter purported to be from Obama is for the purpose of submitting proof of his "requisition order for the ticket purchased for my trip to the IAF Training in Los Angeles," and is dated May 20, 1986. A copy of what appears to be the ticket or the requisition order for the ticket is included.
