Dear Governor Haley,

I am writing you on behalf of the American Heritage Girl (AHG) on the topic of how you decided to get in to politics. I am curious of what you did to prepare yourself to become Governor.

I would be extremely grateful if you would please write me back. My address is
Sally Goetz (age 10)
2 Stonebrook Farm Way
Greenville, SC 29615

Thank you for your time and for all you do for us citizens in South Carolina.

Sincerely,

Sally Goetz
