Subject: Senator Lindsey Graham

DEAR House of legislature,

I am one of the six parent that was tragically involved with the incident that happened at Broad River Correctional Institution April 4th 2016 that morning five or six of our loved one was closed in an area with 30 other inmate that was not supposed to be in that area. Our love ones was brutally attacked with knives and Shanks by 30 inmates in which the guards close them in and watched as our love ones begin to cry out and bang on the door for help and no one responded while watching. We are concerned parents that have tried to bring up a lawsuit with Todd Rutherford and Robert Goings have some of our paperwork, in which we are trying to do a class action lawsuit. But in the meantime Our concern is that a corrupt state facility would allow this type of incident to happen, and knowing that nothing is being done about it. This investigation has been going on a month and not even the media knows about it; please help us find some type of resolution so we won't have to wake up to a tragic phone call that our love one or anyone love one has been hurt, due to negligence of the state. Sincerely concerned parent that needs to have some type of resolution of peace to know that this state is not allowed this type of incident to go unnoticed
