Subject: Koppers claim

Attachments: Koppers_RCDP_EA_Draft_2-10-16.doc

Dear Holly and David,

Susan and I will give you quarterly updates on the Koppers Natural Resources Damages case. I am attaching the draft RCDP which describes the history of the property and the restoration project as well as the projects that are being considered for the cash-out portion. This should be a good overview of the project and the case. This is a draft and it is being reviewed by the federal agencies now and will be updated, but is mostly in final form. Please consider this as the first quarterly update and we will update you again in August, if that suits you.

Thanks again for your help,

Shannon
