Subject: Budget

Thanks for you help with the Glenn McFadden / DNR appointment. Ted called yesterday and I let Glenn know. He will be a great board member.

Was please with what I saw in the governor's budget regarding USCL and funding for the Palmetto College. Also, it was nice to finally see a larger number by USCL compared to USC Sumter on deferred maint since they are funded, typically, at 3X of USCL. I think it would help the governor a lot up here to get a press release to the local papers on these items in the budget re USCL. If you want me to, I can write something up and send it to you. This is a big issue in Lancaster County.
