Subject: Johnson Controls CEO supports Gov Haley's flag decision

Jim -

Wanted to pass along the message of support for Governor Haley's call to take down the Confederate flag from Alex Molinaroli, Chairman and CEO of Johnson Controls. Alex's tweet is below. He is from the state and graduated from the University of South Carolina.

Johnson Controls (headquartered in Milwaukee, Wisconsin) has over 1,000 employees working in South Carolina, including Florence, Colombia, West Union, Greenville, and Charleston.

Please pass our support on to the governor.  
Thank you,  
Mark
