He also stated that the County had documents that verified the road was actually a county road. (These were also included in the motion to accept into the system.) Mr. Cox seconded. Mr. Holden asked that Cold Water Lane be considered also. Mr. Cox explained that the developer told the property owners that Cold Water Lane would be maintained by the County and recommended that the developer be made responsible because of the different circumstances. Mr. Holden amended the motion that the County Attorney check into the situation and get more details and advise if it would be legal to bring into the County system and for Mr. McClure to do so if
