Quote from Governor Nikki Haley, " Since the Senate passed a roads bill weeks ago, the House has known they either work with the Senate, pass real, good reform, or the bill dies. Today we learned House leadership has chosen to pass an amendment they know has zero chance of becoming law. That's a terrible shame, and every South Carolinian should know that tomorrow, the Republican House of Representatives plans to kill two years of work and that as a result, there will be no change in their road conditions anytime soon."
