Steve,

You are fine. I have a meeting with the Lt. Governor in the morning which may impact all providers, or not. I will know after lunch.

Tony:

It is my understanding that Carolyn, from my office, and Betsy got the amount straight for Senior Action invoicing, as well as all of our other expenses, late last week and that Carolyn sent an invoice just before 5:00 Thursday afternoon.

When you and I talked last week, you mentioned that once it came in, you would review and approve it Monday morning – assuming everything was correct.

I'm just checking in to make sure that everything was correct and it included the required documentation. If we do need to do something else, or if you require additional documentation, please let me know.

Thank you for your help with this matter.

Steve
