Hi, I have spoken to her but I am still awaiting an email with the agenda, etc. I had this information as pending on my calendar but was waiting for additional information before posting it on his calendar.

What they're hoping the LtGov will do is participate in the leadership panel on 9/23/17 from 1 PM - 2:30pm. The topic is regarding State defense forces and it's cost-effectiveness. She indicated that they would be willing to forward any comments for the LtGov to review. Also, Senator Thomas Alexander, General Livingston, Senator Demint and General Garrett will be in attendance.

I have put in a call to her today and I'm waiting to hear back from her. I will post as soon as the information is available.

He wants to try to do this. Please contact her and get a few more details. We'll try to make this work and get into a church on that Sunday

Good morning Lt. Governor!

I hope that you are well! I am excited to tell you that SC has been selected for the site of the US State Guard Association's annual convention. This year's event is scheduled for Sept. 21-23, 2017 in Myrtle Beach.

With last year's convention in Puerto Rico, and next year's in California - we were pleased that SC has been selected as the host and granted the opportunity to highlight our great State, her leaders and tremendous resources!

The convention's final event will be held on Sat., Sept. 23, 2017. There will be a reception at

6:00pm followed by the Banquet from 7-9pm.

It would be an honor if the Association could recognize you at the Banquet. At your convenience, could you please let me know if your schedule would allow you to join the reception and banquet on September 23 in Myrtle Beach?

If I may provide additional information to you (or a member of your staff) on the organization or event, please don't hesitate to let me know.

We look forward to the opportunity that you might be able to attend! Many thanks!

Sincerely,  
Mary Elizabeth
