---

Hi Katherine!

I found out that the Adjutant General's office will be handling this. And right now they have no funding available for it. The medal is still in the design process as well. This came from Major King who works in that office. So, just thought I would let your office know for future reference.

Thank you for the information!

This is would go through the Veterans Affairs office.

Thank you,

Katherine

**Subject:** FW: Medal of Valor

Good afternoon Ms. Veldran,

Rep. Long has a constituent who is asking how they obtain an application to nominate someone for a S.C. Medal of Valor. Does that come from Governor Haley's office? We haven't had an occasion to help with one before, so no one knows who to contact.

Thank you!
