The announcement is scheduled for 11 AM on Wednesday.

Would be good to have supportive legislators offer up quotes once the announcement is made.

Legis shop not in the loop about the Hall announcement. When is the announcement? Will we need legis quotes?

I spoke with the Gov about this and she only needs Hall's bio and family background for her talking points for tomorrow's presser. Do y'all have that info already?

KV – the Governor also wants to give a heads up to Sen. Grooms and Speaker Lucas just before the announcement.

Austin – the Governor also wants you to give Clifton Parker a heads up about the announcement.

Brian –

Will you please get with Austin, or whoever is the appropriate policy person, to get the background information needed on the Hall appointment? This is not her bio. We have that. This is the information the governor wants to talk about for the future/vision of the agency?
