We probably should have someone from Nikki's staff express her commitment to working on solutions to the problem.

I can do it.

Ted and Bryan-

Rep. Bowen invited the Governor to stop by briefly a lunch the Joint Legislative Committee for the basin/water issues from South Carolina and Georgia are hosting on Tuesday, April 16<sup>th</sup> at the Capital City Club. Rep. Jeff Duncan is the point person in the federal delegation and Georgia has a point person in their federal delegation as well.

The Governor is unable to attend due to prior commitments – is it appropriate for one of you to stop by as a representative from the office?

Thanks,  
Leigh
