Christian,

See Sam's email below - don't know how much help this is. Ohio responded that they do not have a position description either.

Subject: Position descriptions

Marcia,

I heard back from Kansas. The executive budget position is unclassified and appointed by the Governor and there is no position description. He did send me links to the legislation that identifies the duties and I have included them below. After looking at those duties, I'm not sure the draft that I sent to you needs any revisions. But, please let me know if there are some that you want us to make. He also indicated that Kansas does not have a position comparable to the Performance Improvement and Transparency Manager. I think we are good to get the member rates from GFOA and AGA for posting the position. Please let me know if you need anything else. Thanks.

Sam
