Subject: DSS Budget Request

---

Here's the DSS budget request for FY 2014-15:

[http://budget.sc.gov/webfiles/OSB/budget%20plans/L04\\_FY2014-15\\_REV.pdf](http://budget.sc.gov/webfiles/OSB/budget%20plans/L04_FY2014-15_REV.pdf)

Pages 8-11 correspond to Decision Package 1427, which is the agency's request to receive \$1.62M in additional state funds for a foster care rate increase. On pages 28-30, they're asking to amend Proviso 38.15 in order to make the specific rate changes. This would be a 15%-28% increase, depending on which age bracket you look at.
