Subject: *Possible Dates to Reschedule the Capital Bond Study Committee Meeting - Please advise.

Chairman Peeler, is seeking availability of our members on Thursday, 11/4 and/or Friday, 11/5 for a possible rescheduling of the Capital Bond Study Committee.

If the meeting were to be held on 11/4, it would need to be a “morning” meeting.

If the meeting were to be held on 11/5, it could be “anytime”.

Please reply with which date best works for your schedule.

Thank you,
Katherine
