The Honorable Nikki R. Haley  
Governor, State of South Carolina  
Office of the Governor  
1205 Pendleton Street  
Columbia, SC 29201

Dear Governor,

I, a resident of Florida, desire to know if it is possible for the executive power in the State of South Carolina to be applied as a remedy in order to significantly reduce abortion in South Carolina.

Your Excellency, is it possible to recognize all preborn babies in the State of South Carolina as persons (citizens) by means of executive order? Your Excellency, is it possible to claim all preborn babies in the State of South Carolina as citizens (inhabitants, residents) by means of executive order? Your Excellency, is it possible to confer directly upon all preborn babies in the State of South Carolina citizenship and civil rights by means of executive order?

Thank you for your time and attention concerning this matter.

I ask Your Excellency to accept my profound respect. I remain  
Your humble and obedient servant,
