Gov. Haley Expands One SC Fundraising Efforts In The Wake Of Hurricane Matthew

Disaster Recovery Fund Will Assist South Carolinians Impacted By Storm

Governor Nikki Haley alongside the Central Carolina Community Foundation announced a plan to increase fundraising efforts of the One SC Fund to help those impacted by Hurricane Matthew.

Established to assist South Carolinians recovering from natural disasters, the One SC Fund's first project was providing relief and recovery assistance to South Carolinians in the aftermath of last year's thousand year flood. Thanks to generous donors, to date-- One SC has distributed \$2,000,000 in grants to nonprofit organizations supporting flood recovery projects across our state and has helped over 1,500 of our families return home.

All donations to the One SC Fund go directly to rebuilding supplies.

Hi Ladies,

Thank you for everything you're doing to help our state! We're honored to work with you.

Here is the wording we discussed that will be on our website and can be used for a press release.
THE ONE SC FUND IS A FUNDRAISING EFFORT THAT HELPS SOUTH CAROLINIANS WHO
ARE RECOVERING FROM A DISASTER.

*(This can be shortened to THE ONE SC FUND HELPS SOUTH CAROLINIANS WHO ARE
RECOVERING FROM A DISASTER for a press release.)*

Governor Nikki Haley- with the help of Central Carolina Community Foundation and a team of South Carolinians from entertainment, business and public service-announced the One SC Fund in November 2015 after flooding touched South Carolinians from every walk of life.

Established to help South Carolinians recover from a disaster, the One SC Fund was first used to support nonprofit organizations providing relief and recovery assistance to flood victims in the 24 FEMA designated emergency counties. Thanks to many generous donors throughout the state and nation, the Fund has distributed \$2,000,000 in grants to nonprofits to support flood recovery projects across our state that have helped over 1,500 families return home.

The One SC Fund will continue to support the work of serving those impacted by the flood. It will also support nonprofit organizations providing relief and recovery assistance to those impacted by Hurricane Matthew. The need is great. Donations to the One SC Fund are being accepted and will help continue the work of serving those impacted by the disasters that have hit our state.
