Subject: Additional DMV relocation expenses

Attachments: [DMV Relocation expenses.xls](#)

Russell,

I mentioned in my last note to you that we may need to add the cost of the Phoenix backup equipment to the cost of the building move.

We do need to add this cost. The attachment below now reflects all of the DMV costs for the move. I have sent you the technical specs (or the web site for these) for all of the major components to be installed in the data center.

Please let me know if you have any questions.
