Governor Haley:
Please consider endorsing Governor Jeb Bush. SC Senator Lindsey Graham endorsed Governor Bush. He complimented you in the debate on January 14th.
Thanks

House Speaker Paul Ryan, who picked Haley to deliver the GOP response, applauded her remarks. "The vision she outlined for our country was inclusive and optimistic and, perhaps most important, it was grounded in reality," said Ryan.

But the governor also received backlash from some conservative activists. "Trump should deport Nikki Haley," Anne Coulter tweeted. "Too bad @NikkiHaley <<https://twitter.com/nikkihaley>> missed her oppty to stand w/ working ppl who want borders enforced, American workers put first, govt shrunk," tweeted Laura Ingraham.

Haley was lauded by GOP leaders and many Democrats -- a combination that could fuel Trump's support.
