I read online that some states offer free admission to seniors and discounts to services for seniors or the disabled. I request a billfold card for admission to state parks for those who pay the annual fee. My wife and I are over 70 and I am disabled. Please call me and I can discuss more. 8036691561 on how our park manager has responded.

My wife may go to the park and walk today without the year membership tag. It is in, the other car. She may ask Wendy in the office for a day pass. I hope the park manager is not rude.

Let's see if she has a problem. Last year we parked outside the park but on state property and walked through the park. We returned to find a warning ticket. We had not paid the annual fee. We paid the annual fee. We had the car without the pass and parked it. Mama ger knew we paid and was not understanding. I understand Gov Haley said parks would be self supporting. My wife and I are retired state employees.

A billfold card would solve problem. Free card to retiree, retired state employees, or disabled would help
