Subject: Governor's funding proposal

Rachel,

I hope that this email finds you doing well! SCSBA will be hosting a legislative preview webcast next Thursday for its membership. During this program, we provide a general overview of issues we anticipate arising during the upcoming Legislative Session. I feel certain that we will want to mention that the Governor intends to roll out an education funding reform plan. Do you have anything that you can share with me at this time? I think that it would be fine, too, if you were just able to share generalities or concepts associated with the Governor's proposal.

Thanks! I appreciate anything that you can offer regarding her proposal.
