I appreciate you taking the time to email me. However, the South Carolina House of Representatives ended its regular session on June 28, 2012. We will not return to Columbia until January 2013. If you are interested in the status of any legislation or want information about the Legislature, you may find it on our website, [www.schouse.gov](http://www.schouse.gov).

If you would like to talk to me about an issue, please call me at 864 229-3873.

Representative Gene Pinson
