The Honorable Nikki R. Haley
Office of the Governor
1205 Pendleton Street
Columbia, South Carolina 29201

Dear Governor Haley,

You failed in your response to Obama's speech to articulate how the Republicans would make things better and put America on a better path. The country is on the wrong track and you know it.

The Iran deal, the Obamacare debacle, a wide open southern border, San Bernardino terrorism, and the 20 Trillion national debt disgrace are but a few of the issues Obama is dead wrong on that you might have touched on.

When the Democrats praised your speech, it means you are more like them than a loyal opposition voice. Shame on you! Just like the Republican leaders (Boehner/Ryan) who campaigned on stopping Obama only to turn around and give him everything he wanted.

You've been in the governor's mansion too long and have lost touch with the frustration and deep disappointment I and the Republican base have over the failure of the Republican leaders to stand up to a lawless President.

Thank you for your consideration.

Sincerely,
