Hi Shonna – Chaney mentioned you and Jason might be interested to know the spellings of some of South Carolina's more difficult names. Here is a list of some that may be used at future press conferences:

- Daufuskie Island (Beaufort County)
- Town of McClellanville (Charleston County) – This is where Hurricane Matthew made landfall.
- Kiawah Island (Charleston County)
- Waccamaw River (Horry and Georgetown Counties)
- Fripp Island

Thank you so much for your assistance with the press conference. If you need anything else, please let me know.
