Subject: Statement from Governor

Hello Chaney!

I would like to get a statement from the Governor on the growing issue of state prisoners streaming live and periscoping from their cells...showing drugs, alcohol and weapons.

I've been working with Stephanie Givens and Bryan Stirling at the SCDC for a few months on this...and now there's an update.

Here's the initial exclusive we ran back in June:

Here's the latest...

This guy has been FB LIVE from Lee Correctional and has been showing people how to hide a shank. He's a member of a gang and seems to have been wounded in a knife attack recently.

Real name is Todd Finklea...

Here's his facebook page: <https://www.facebook.com/glizzy.kushman?fref=ts>

According to a source, here are 3 more:

"Don Gizzle" Aka Robert Fulmer (Perry Correctional) "Trillman Black" aka Trent Black (Perry Correctional) Steven Bryant at Broad River

Thanks!
